

THE BROTHERHOOD OF WARRIORS

MISSION

The mission of The Brotherhood of Warriors is to provide:

- ◆ Fellowship/Brotherhood and building relationships in an informal environment outside of the military and/or “professional” environment. Open communication with other warriors that have experienced or are experiencing similar stresses with physical and/or emotional issues pertaining to family, pain, finances, PTS, lack of purpose, survivors guilt, or any other issue they feel the need to talk about or express.
- ◆ Activities that encourage fellowship, bonding, and Brotherhood. Such as, but not limited to, golf, horseback riding, hunting, fishing, shooting (guns/bows), or boating.
- ◆ Help support wounded Veterans in any other ways we can.

GOAL

- ◆ To provide a place, ideally an actual farm, where Fellowship and Activities can be located for the Brotherhood.

TOURNAMENT INFORMATION

The Brotherhood of Warriors is a group of Combat Wounded Veterans out of Fort Bragg and Camp Lejeune who are playing Rehabilitative Golf with Master PGA Teaching Professional Brad Clayton of PuzzleDuck Golf in Oxford, NC. Brad's dedication to and compassion for this group is simply best described as something "special".

SynLok Adhesives is very proud to sponsor this event again this year. Your 3-man team will be paired with a Combat Wounded Veteran in a Captain's Choice format. You are encouraged to create a lasting friendship with these veterans while you enjoy a great afternoon of golf and fellowship.

Immediately following golf please join us at the Litchfield Beach & Golf Resort for an All-American Buffet of grilled hot dogs and hamburgers.

But this event is more than providing support for just the Veterans. When a Veteran is wounded their entire family is wounded, and time together becomes that much more valuable. We want to show our appreciation to both the Veterans and their families, who are the front-line of support for these men and women.

Each Veteran is encouraged to bring their significant others and children. While the Veterans are playing golf, their families will be able to enjoy all that Pawleys Island has to offer. Anyone who would like to volunteer to help these families enjoy their weekend please contact Brad Clayton or Brad Church.

Accommodations for the Veterans will be provided for them at The Litchfield Beach & Golf Resort. Many thanks to the Resort for their efforts and support in making this a special end of summer vacation for the Brotherhood and their families.

Freedom is not free, and these Brotherhood of Warriors have paid an extraordinary price for OUR Freedom. Any support you can provide will be greatly appreciated.
